

PULSADOR MULTIFUNCIÓN INALÁMBRICO

1. Technical specification

Name	WallMote
Model number	ZW129
Dimensions	76.8 × 76.8 × 10.9 mm
Repeater	No
Beaming	No
Number of child nodes	2
Number of buttons	2
Press functions per Group Association	Tap Press and Hold Swipe Up Swipe Down
Press functions per Scene use	Tap = Scene ID 1 Press and Hold = Scene ID 2
Control use	Scene Control Group Association
Power supply	Rechargeable lithium battery, 3.7 V, 640mAh
Battery Life	3 months from fully charge <ul style="list-style-type: none"> - 150 times of presses per day - 20 times of sliding each day - 60 times of wake up reports per day - Does not include Wakeup Reports, disable Wakeup Reports to maximize battery use
Battery charger input	
Plug type: Micro USB port	
Voltage: DC 5V±0.5V	
Current: max 1A	
Operating temperature	0°C to 40°C
Operating humidity	8% to 80%
Z-Wave Repeater	No

Operating distance	Up to 394 feet outdoors Up to 120 meters outdoors
